Fall was a busy, busy time for the Sidney Red Raiders, and the students of SHS hit the ground running. Activities this season included: Football, Cross Country, Volleyball, Girls Golf, Cheer, Band, and Homecoming! Students also caught up with friends and discussed summer fun.

# FALL

Out of school didn't equal boredom for the students of Sidney High School. The summer of 2017 was full. From a Spanish Club trip to France and Spain, to summer jobs at the pool, to spending down time at Lake MacConaughay, these Raiders made the most of June, July and August.

Coach Koozer, the football team's head coach, has coached at Sidney High school for three years. He works along side Coaches Barrett, Ehler, Hofrock, Douglas, and Newland. Coach Koozer and the other coaches did an impeccable job of improving the way the boys played every game. This position is not an easy one to fill, yet Coach Koozer has managed to stay passionate and devote his time to these high school boys. The team improved in many ways, one being the way they played as a unit. They are all on the field for each other, not themselves. This year's team was led by some outstanding seniors who never failed to show leadership when needed and strive to set a good example for the underclassmen. In each game, they fought as hard as they could to make everyone in this school proud to be a Sidney Red Raider. This season, the varsity record was 4-5, with an outstanding comeback in their last game. The JV had a season record of 1-4, and the freshmen finished at 1-2.

# Raider Cross Country

The Red Raider Cross Country team entered the 2017 season with a new look. Not only did the teams get brand new uniforms, they added two new coaches and one major change during the off season: A new head coach. After over 10 years as an assistant, Coach Wiedeberg moved into the top position. Her hard work, infectious enthusiasm, and genuine care for her runners inspired everyone to do their best. She has the most experience of all 5 coaches as she runs countless miles a year and runs a marathon every year.

One of the new assistant coaches is Mr. Colrick, who teaches math in the Middle School. His running experience includes being a member of his high school cross country team and also competing in at least one marathon per year. In addition, he has also coached Middle School track for the past three years. The second new coach is Mrs. McCarville, who is the 7th grade Science teacher and has organized Spirit Club for over 20 years. Mrs. McCarville has also coached Middle School girls basketball in the past. While she might not have much running experience, she brought a fun and positive attitude every single day. Returning to the staff this year was Ms. Olson, who again served as an assistant coach. These talented coaches were vital to the cross country team's success.

The annual Western Conference Cross County Meet was run at Deer Run Park, here in Sidney. The Raiders ran a solid meet, beating Gering by nine points and claiming the Western Conference title. Collin Brauer ('19) led the way, placing first overall. Junior Lucero ('19) placed 5th, Kaden Vowers ('18) 7th, Jacob Peckham ('20) 12th, Colton Peckham ('18) 15th and Caedon Snider ('19) 17th. The Lady Raiders had a very good showing as well. They placed second as a team with the following individual performances: Charlie Brockhaus ('18) 8th, Taighlor Arnett ('20) 5th, Miranda Ahrendt ('21) 14th, Hannah Kennedy ('19) 15th, Kylie Rosdail ('18) 19th, and Emma Tuzicka ('18) 20th. It was a great day for both boys and girls cross country teams.

The B-4 District meet took place on October 12th in Ogallala. The boys and girls cross country teams competed very well with the boys placing second as a team and the girls 5th. The Raiders will be heading to state as a team and the Lady Raiders will be sending two runners to state. Charlie Brockhaus ('18) and Taighlor Arnett ('20) placed 13th and 15th respectively, qualifying for the state meet. The boys ran a great race, placing three in the top 15 and earning a second place finish. Collin Brauer ('19) placed 4th, Kaden Vowers ('18) 7th, and Carlos Lucero ('19) 11th.

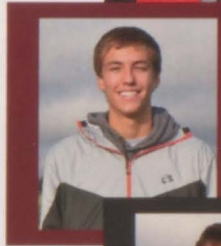

The State Cross Country Meet took place on October, 20, in Kearney, and the Raiders had eight runners competing in the meet. Charlie Brockhaus ('18) ran the 5k course in 22 minutes 20 seconds and Taighlor Arnett ('20) finished in 22 minutes 6 seconds. The boys team ran a tough race, as windy conditions were worse than when the girls ran. Collin Brauer ('19) led the way for the Raiders placing 11th, followed by Junior Lucero ('19) in 21st, Kaden Vowers ('18) 46th, Caedon Snider ('19) 70th, Jacob Peckham ('20) 81st, and Mitch Porter ('18) 83rd. The boys placed 8th overall as team. Head Coach Weideburg was very pleased with her team and felt very good as the both girls and boys improved throughout the season and performed well at the state meet.

Freshman Lady Raiders

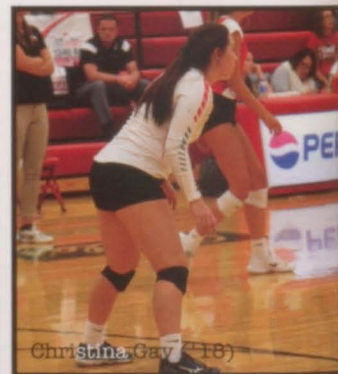

The Lady Raiders finished with winning seasons at all three levels of play. Varsity won the majority of their matches for the regular season and came out of Western Conference as champions. They lost in the first round of Sub Districts to Gering, but were awarded a wildcard to play Elkhorn South in the District Finals. After losing that close match at Districts, varsity concluded their season 20-13. JV had a successful season and only lost two of their matches, won the Chadron Invitational Tournament, placed second at the Scottsbluff Tournament, and won a total of 16 games. The freshmen followed in their footsteps with only two losses for the season as well, gaining 11 wins. Congratulations on your seasons ladies!

The Lady Raider Volleyball program gained an entirely new coaching staff for the 2017 season. Lucia Howard, or Coach Lu as her players call her, is the head coach. Howard is native of Slovakia and began her 16 years of volleyball experience there. Howard was a member of a youth Slovakian National Team two years in a row, team captain of the second best NJCAA DI college volleyball team (2008), and played in college at the University of Arkansas-Fort Smith where she was awarded many titles. She is assisted by Coach Sharman, who was a state champion in 1995 and 1996. Sharman went on to play at Western Nebraska Community College. Coach Dingman, also known to players as Coach Karsen, played at Eastern Wyoming College before coaching volleyball for Sidney Middle School. This year she assumed the JV coaching position, producing a successful season with her girls. Coach Rolls is a previous head coach and returned to instruct the freshmen girls this season. Having a brand new coaching staff can be a difficult transition, but these four have overcome this to bring all three volleyball teams to seasons of success.

The Lady Raider Golf Team was led by new coaches in their 2017 season. Mr. Plummer, while new to coaching golf, has previously coached Cross Country, Boys Basketball, and Track. During the day, Mr. Plummer teaches Economics, Sociology, Business, and Law, but after school he spends his time preparing the team for districts in hopes of making a trip to the state tournament in Columbus. Mrs. Whipple was assigned the job of Assistant Coach this year. She golfed for the Lady Raider Golf Team when she was in high school. She spends her days working at South Elementary as a first grade teacher. Both coaches make sure to focus on the JV players and improving the future of the team.

We give a special "thank you" to seniors Kate Dible ('18), Ashley Tyson ('18), and Jocilyn Hessler ('18) for being on the cheer squad for all four years of high school. Led again this season by Coaches Green and Janssen, the hard work and dedication of the team is obvious.

As in years past, young Raider fans were invited to spend a day with the SHS Cheer Team. Area elementary students, grades K- 8, attended the Little Raider Cheer Camp hosted by the Sidney Cheer Team on September 22. These 85 aspiring cheerleaders worked all day, under the guidance of the high school cheerleaders, to learn a fun routine that they performed for their parents and fans at halftime of the Sidney vs. Holdrege football game.

Homecoming Week 2017 kicked off on October 15 with Movie Night and the Class Lawn Display reveal. The spirit of Homecoming Week continued as students dressed up for the popular Theme Days. The classes competed Wednesday night during the Class Games and Lip Sync Battle, where the Juniors and Seniors ended in a tie. The tie was broken by the Seniors with the bonfire chant, making them the winners of the event. Friday concluded with the last football game of the season. The first half, the Raiders were down 21-0. The boys came out for the second half and scored 27 unanswered points to win the game 27-21. The week was full of fun, school spirit, and finally the crowning of Homecoming King, Kaden Vowers ('18) and Queen, Julia Evertson ('18)!

The Raider basketball team entered the 2017-18 season with many veterans returning. The basketball team featured five seniors this year. Head Coach Austin Lewis had high hopes for his second season at SHS. Coach Lewis has much experience, as he played at Hastings College and coached for numerous years in Kansas before coming to Sidney. Assistant Coach Dillehay has been on the Raider basketball coaching staff for more than 20 years. He has coached all three teams: Freshmen, JV, and Varsity. The team finished with an impressive 18-8 record.

# LADY RAIDER BASKETBALL

For the first time in several years, the Lady Raiders had a new coach on their staff. Mr. Shaw continued his head varsity coaching career, along with Mr. McKay and Mr. Dorwart. Joining the group this year as the JV coach was Mr. Newland, a coaching veteran who had taken a few years away to focus on administrative duties. He replaced longtime coach Mr. Pope who moved to Japan to teach English.

The Varsity Lady Raiders kicked off their season with a strong appearance at Western Conference, finishing in second place.

Dissatisfied with second place, the girls went on to win the championship game in the Cabela's Holiday Shootout. Next, the ladies went on a nine game winning streak, before losing against Sterling on their home court. The Lady Raiders ended up with an impressive record of 18-3 for the regular season that was capped off with a District Championship. Unfortunately, they lost in the first round at the State Tournament to Beatrice and ended 21-4.

The JV and Freshman teams also had very successful seasons. The JV ended up having an undefeated season at 18-0, while the Freshman team ended 15-1. There is a lot of talent on both teams and everyone improved tremendously throughout the season.

John Ganser, the Sidney wrestling team's head coach, and assistant coaches McConnell, McManigal, and Simonson, led the Raider Wrestling team to a winning season. The team was very motivated and had a strong work ethic, giving the coaches a very good base to work with. The young men exhibited great strength throughout the season and continued to improve through districts and state. The Sidney wrestlers swept districts, taking home the title for the first time since 1995, with district champions being Kaden Vowers ('18), Trey Arellano ('19), K.C. Higer ('19), and Derek Robb ('18). Coach Ganser was voted Coach of the Year at the district tournament. The wrestlers were also able to put up a fight at the NSAA State Wrestling Tournament, bringing home four medals, while also qualifying for the State Dual tournament. Brody Raines ('20) took home 5th, Kaden Vowers ('18) 2nd, but here in Sidney he's the people's champion, and Trey Arellano ('19) and Derek Robb ('18) both brought home state titles. This is a huge accomplishment for Derek, making him the first Raider in school history to win four state titles. He also won the Omaha World Herald Class B Wrestler of the Year award with a 61-0 season. Finally, Coach Ganser announced his retirement after 41 years of teaching, coaching, and mentoring students and athletes alike. All in all, it was an extremely successful season for the wrestlers.

The Red Zone has been in operation for a number of years. Each year, the Red Zone representatives are chosen by selecting one student for each sport and activity. These students run a Twitter account, helping to inform people of the games and events going on throughout the year. It is also used to send out "good luck" tweets before every Red Raider event. The Red Zone's goal is to motivate and encourage our players and encourage school spirit, which seems to be working.

Every year, the Red Zone gains more and more popularity among the student body, making it a great way for the students to get involved, support their peers, and show their school spirit!

The Raiders entered the final stretch of the school year ready to finish strong.

Students ran track, played golf, performed in concerts and musicals, danced at prom, and walked the stage at graduation.

The SHS boys track team kicked off the start of the year by competing at the Chadron Indoor meet. The boys team was large again this year with over 30 athletes. The team had high hopes for the season with some of the best athletes in the district. Our relay teams also won both of the relays at the district meet. The 4x400 returned three of their state qualifying team runners with Mitch Porter ('18), Christian Balandran ('19), Derek Robb ('18), and added new member Skylar Heineman ('20). The 4x100 relay will include Derek Robb ('18), Cade Lewis ('19), Christian Balandran ('19), and Coby Haas ('18). The Sidney boys track team was also very strong in the field events. Jon Smith ('18) who does the Pole Vault, and Mitch Porter ('18) at the Triple and High Jump had a good season. Zach Pettit ('19), Lane Hughes ('19) and Kade Price ('18) also had a great year in the Shot Put. Another big event for the track team is the retirement of Coach Ganser. He has been teaching for Sidney for over 40 years. He has also been the head track and wrestling coach for numerous years. Coach Ganser has been the definition of a great coach and mentor in his tenure at Sidney High School. The team strove to do their best to give Coach Ganser a memorable final season.

The year started with the announcement that long time Sidney High School coach and educator Coach Ganser would be retiring at the end of the year. So from the beginning of the season, the girls team was focused on making Coach Ganser's final season one to remember.

The girls' team had many new members and counted over thirty members on this year's squad. Within that group there was strong senior leadership and quite a few state returners from last year including:

MJ Johnstone ('20) who is returning from a very successful season last year in pole vault as she was the Class B State Champion! She also competed on the 400 x 100.

Natalie Radcliffe ('18) was busy at state last year as she competed in the 4 x 800 relay, 4 x 100 relay, and placed eighth in the 300 meter hurdles.

The Class of 2018 graduated on May 13, 2018, in the Cabela's Athletic Center. Friends and family members packed the gym to watch 93 students claim their diplomas after thirteen years of hard work and dedication.

The class was awarded over 250 scholarships from a variety of organizations and colleges. The graduating seniors have plans to attend over twenty different post-secondary schools all over the country. The class valedictorian, Charlie Brockhaus ('18), delivered the address on behalf of the class and salutatorian, Mitch Porter ('18), was also recognized for academic excellence.

# STUDENT LIFE

Schools and school years are made up of much more than classes, sports and activities. The most important ingredient in all of these are the students themselves. Get to know the kids, and you will understand who we really are.

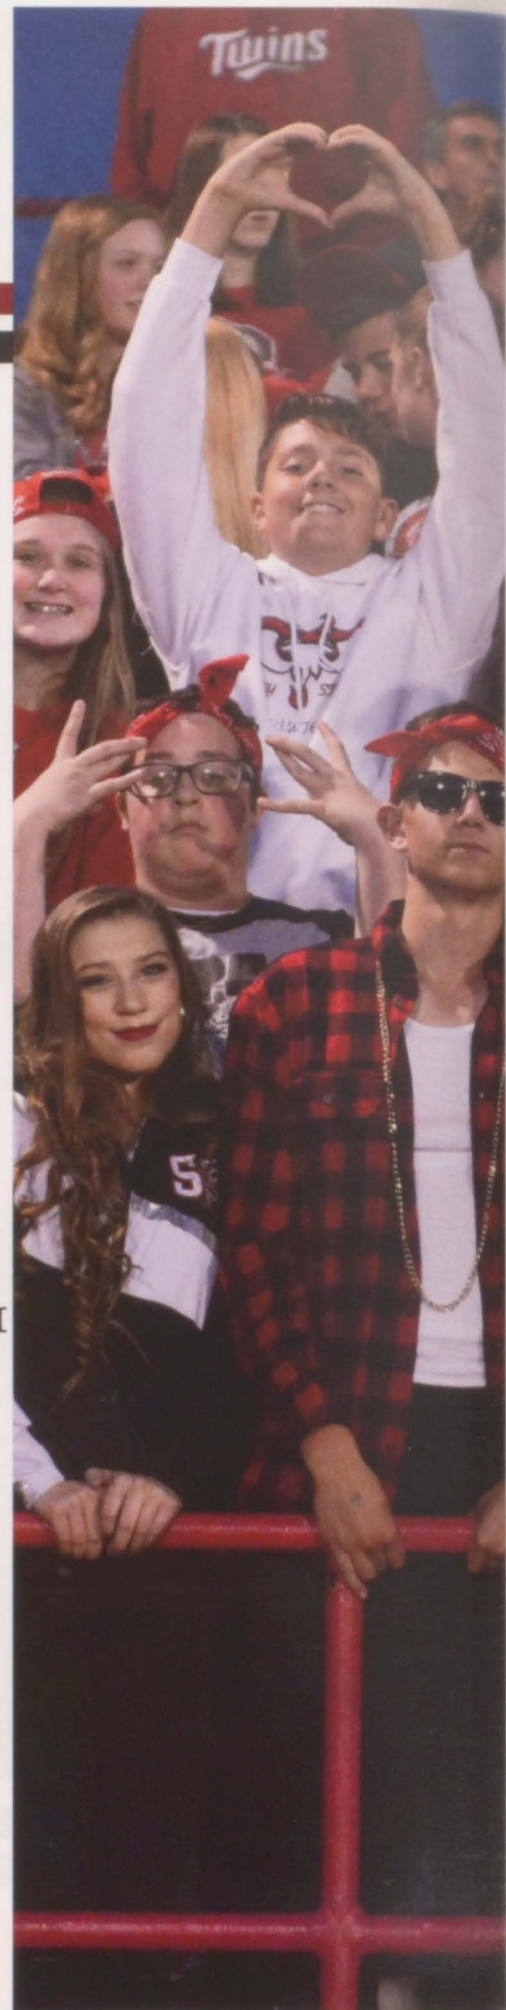

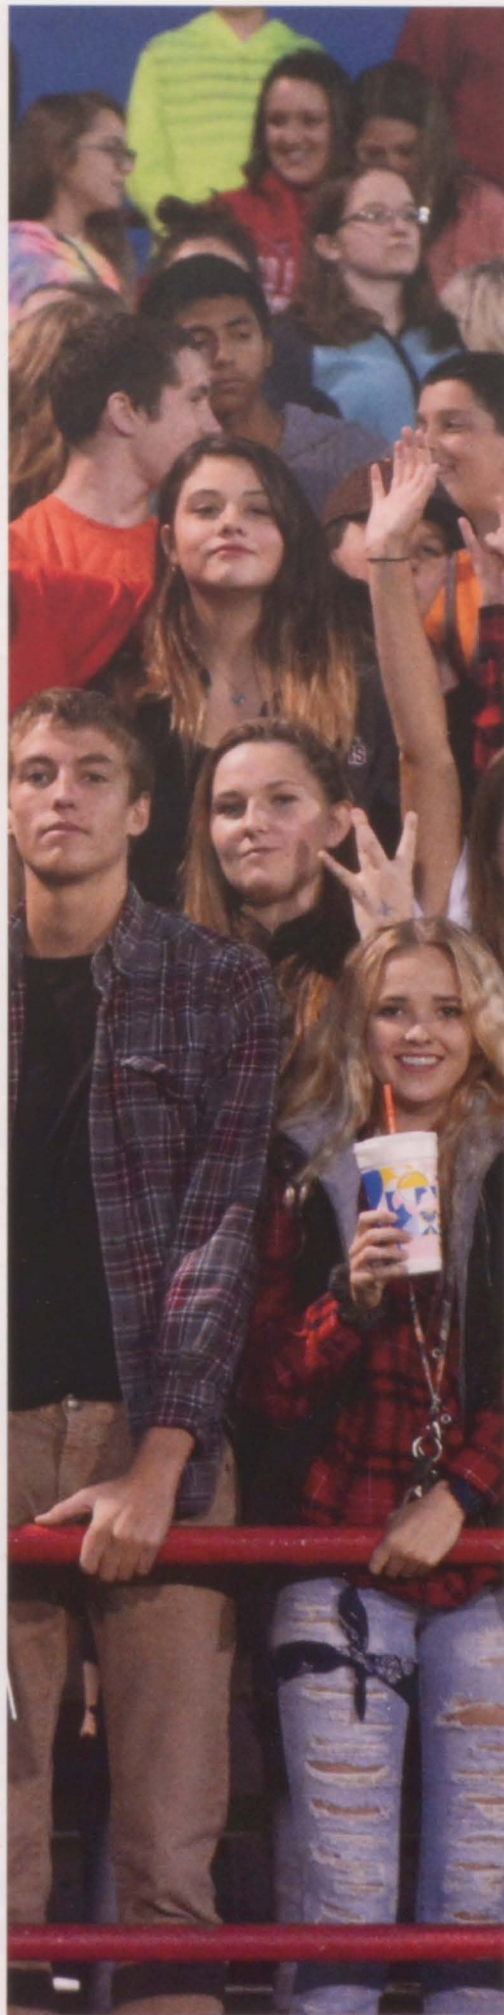

# You Know You're a Raider...

1. When the cow bell starts playing during basketball games and the whole gym starts clapping along. (Jon Smith, '18)
2. When you're lifting in the weight room and Ganser tells you to "squeeze the glutes and clench the abs". (Peyton Lewis, '21)
3. When you can hear music blaring down the sophomore hall coming from Senor Avila's room. (Ujwal Ghatamaneni, '18)
4. When you see a freshman sprinting down the hallway. (Collin Brauer, '19)
5. When you can hear the junior boys barking. "When you hear the barking, you know it can't be anyone else". (Karly Sylvester, '21)
6. When everyone is running to the lunchroom on chicken fried steak day. (Allie Means, '19)
7. When you refer to every student section as a "Red Zone". (Miranda Ahrendt, '21)
8. When you can hear the band playing in the commons on a Friday home football game day. "I love hearing the school song echoing through the hallways." (Vince Hernandez, '19)
9. When Ganser pulls out his VCR and tells us to "slant up and lock in". (Kylie Rosdail, '18)
10. When you walk in to the school and see Donna with a smile telling everyone "Good Morning". (Adriana Falcon, '18)
11. When Ganser tells the track kids "left leg, tight butt" and "right leg, tight butt". (Skylar Heineman, '20)
12. When the whole Red Zone is singing and dancing along to "Hey Baby" before the fourth quarter of games. (Paige Langely, '18)

## Working Perks

Many Students of SHS spend non-school hours working at various jobs in Sidney. There are a couple obvious advantages to part time employment for these hard working Raiders: save money, gain work experience, and explore career options. Many students put in extra hours to pay for things like cars, insurance, clothing and other typical teenage desires. Some also seek to put some cash away for future expenses like college and travel. Favorite things to spend money on? Food, clothes, gas and Fortnite.

# Journalism Staff

My favorite part of doing the yearbook was contributing to the last yearbook of my high school experience.

- Jared Nation

This has been one of the strongest yearbook staffs I have had the pleasure to work with.

From concept, to articles, to photos, and follow through, the 2019 Trail staff has worked to put together this year's memories in a fun and unique way.

- Mrs. Lewis

Four words to describe my yearbook experience:

Fun. Challenging.  
Creative. Rewarding.

- Emily Secret

Seth Stiles was an unofficial member of the yearbook staff, serving as our resident

PhotoShop expert.

Thanks to Mrs. Darling for letting us "borrow" him from time to time.

My favorite page that I worked on was probably the girls golf page because I was a part of the team so making the page perfect was special to me.

- Paige Langley

Four words to describe journalism class:  
Best Class Ever Y'all!  
- Cole Westfall

hi

My responsibilities for the yearbook were working on the ads with Riley.  
- Jake Osborn

My favorite part of working on the yearbook was bringing back embarrassing pics from middle school.  
- Riley Christensen

My favorite page was the Red Zone page because I got to look back at all of the Red Zone themes.  
- Elea McKnight

My favorite part of doing the yearbook was looking at all of the pictures of everybody contributing in different activities throughout the year.  
- Kylie Rosdail

My favorite pages are the senior pages because I like seeing how everyone has changed from their baby photos to now.  
- Charlie Brockhaus
