Judgement Day

-Whitesnake-

This year the mock trial team consisted of eight members. This included six seniors, Jared Kohler, Michael Bever, Cassie Person, Michael Gieser, Andrew Mock, and Josh Sheets. There was one junior, Chris Gabis, and one sophomore, Megan Christie. Since only two members will be returning next year the team will be full of new faces!

The team practiced everyday after school for about 2 hours. At practice they prepared the defense and prosecution side of a murder trial. Then they had to compete with other teams around the area who also had the same trial. This year the mock trial districts were held in Gering. During the semi-finals the Sidney team had to compete against the defending state champions, Chadron. Unfortunately the Sidney team lost by a narrow margin.

The sponsor this year was Karla Scheele.

In the front row from (L-R) is Cassie Person, Chris Gabis, Megan Christie, Jerod Kohler. In the back row (L-R) is Michael Gieser, Michael Bever, Andrew Mock, and Josh Sheets

If the 2006 cross country team were to have a motto it would be summed up in one word, "STRIVE". From the sound of the first gun in Gering to the crossing of the finish line at state, this team strived to achieve greatness. The year started off with the boys' junior varsity team getting first at Gering and the year ended with the varsity girls' team receiving fourth at state. Corbin Haller and Hunter Arterburn also went to state. Hunter received an 11th place medal at state and all-panhandle honors.

This years bowling team kicked off the bowling season at Alliance and ended at Districts in Scottsbluff. At districts the boys team placed third and the girls team placed fifth. Although neither the boys or girls team made it to state, many were close to making state individually. Nate Cox was the only one who qualified for the state competition. He placed forty-ninth at the state event in Lincoln, Nebraska. Good Job 2007 bowling team!

Ashley Harmon

Jordan Gann

Caitlin Frazier

These were the three senior squad members this year. This was Ashley Harmon's first year cheerleading, Jordan Gann's fourth, and Caitlin Frazier's second. Ashley's favorite memory of cheerleading was playing hide and seek at state, Jordan's favorite memory was the van rides to and from away events, and Caitlin's favorite memory was when the Wheatland football boys mimicked the cheerleaders.

"Turn up the radio, blast your stereo, right now, this joint is fizzlin', it's sizzlin', right."

The sport that smiles no matter the outcome and shows spirit for all other Raider activities is Cheerleading. The Cheerleaders started this year off by going to the cheer camp at Colorado State University in Fort Collins, Colorado. Senior, Jordan Gann made the All-Star Cheerleading group at the camp. The other seniors were Ashley Harmon and Caitlin Frazier. The juniors were Allie Primm, Mindy Hagan, and Cassie Miller. The sophomores were Audrey Hagan and Arielle Hurd. It was Lindsey Diemoz first year coaching. The girls held fundraisers such as a car wash, a cookie dough and a jewelry sale. They even worked the concession stand at a few home games to pay for their new uniforms. They attended almost all home events and some away events for football, volleyball, basketball, and wrestling. Also, they participated in making locker tags for all of the Raider sports teams. The girls attended the State Cheer and Dance competition in Lincoln, Nebraska on February 18th and received second place.

Danz Team

What is there to do during half time at basketball games? Go get snacks, go to the restroom, but before all that . . . watch the Danz Team!! This year the Danz Team was a group of hardworking, dedicated girls. Half of the team was new girls and the other half was returning members. The new girls worked hard to catch on and learn new moves. They had all improved significantly by the end of the season. The team consisted of eight girls and their three coaches: Don Holland, Dineen Pittam, and Kathy Weiderspon. The senior girls were Jamie Pittam and Lacey Bown. The three juniors were Mary Crowe, Eleni Sakis, and Angela Brickey. The only sophomore on the team this year was Kati Schumacher. The freshmen were Ali Miller and Amelia Wieser. Some of their special dances this year were: a boy-girl dance, a Christmas Dance, a cowgirl dance, a hip-hop dance, and a Junior Dance Clinic held for elementary girls. The Danz Team competed in the State Cheer and Dance Competition in Lincoln, Nebraska on February 17th. At the competition they placed 3rd, which was an improvement from last year.

Lets face it, weve all fallen asleep in class, or at least started to daydream during a lecture. It may be intentional or it may be uncontrollable. It may be for a couple of minutes or it may be for an entire period. Regardless of the specifics, dazing and dreaming is a common sight in high school classrooms. Most of us also know that this dazing and dreaming can often lead to confusion with assignments.

"We Are Family"

-Sister Sledge

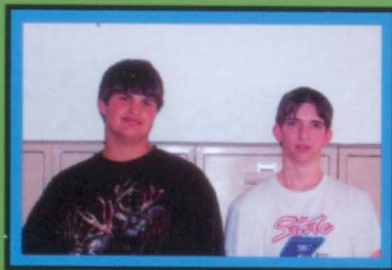

As you walk through the halls of our high school, you may recognize some familiar faces. There are over thirty groups of siblings in our school. This year we have two groups of twins: Sara and Will Vaughter, and Brittany and Megan Amen. For the first time in this school, Mr. Sweetser, one of the math teachers, has two siblings in the school: Jasmine and Travis Sweetser.

Having your sibling in the same school has its advantages and its disadvantages. Sometimes they can be there when you need them and at other times they can make your time at school a living nightmare. However, in the end, everyone has many memories from their time in high school together.

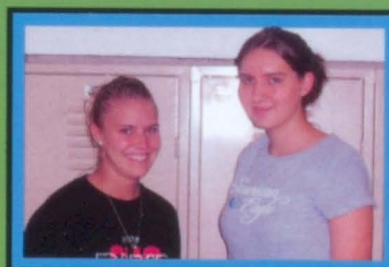

Above are Sara and Will Vaughter having fun and posing for the camera

No we don't get depressed, here's what we call our golden rule; have faith in you and the things you do. You won't go wrong, this is our family jewel!"

When you walk into a home basketball game, one thing can't be missed: The Red Zone. This enthusiastic group does their part to help root the basketball players onto victory with the various cheers they create. The student body comes together and shows their school spirit by sporting their Red Zone gear, hats, glasses, and whatever other cheering devices that they choose to use. The Pep Band assists them by playing various songs including, "Hey Baby." This group of student supporters definitely portrays the Sidney Raider's school spirit!

SIDNEY HIGH SCHOOL Class of 2007:

The City of Sidney congratulates the graduating seniors on your many fine accomplishments during your high school career. You now face a journey that will take you on the road to your future. We know that Sidney Public Schools prepared you to meet those challenges along the way and we encourage you to embrace new opportunities.

A community's greatest asset is its youth and its rewards come from the talents you bring to our future. We know many of you will venture on to further your education, nurture your skills through additional training, enter the military or the work force. Many of you will leave Sidney to begin those career paths.

Our community's future is dependent upon good citizens that will help us build a better tomorrow right here. We are proud that Sidney, Nebraska has a built a reputation described in a unique community motto that describes: *Small Town Values, Big Time Opportunities*. Always keep in mind as you go other places, if an opportunity presents itself to return, we would love to have you come back to a place we call "home."

The values you learned in a growing, prosperous rural community will serve you well the rest of your life. We wish you the very best. Thank you for the many contributions you have made to make your school successful and Sidney, Nebraska a better place for all of us to live, work and play. Since my daughter is a part of your graduating class, I feel I've gotten to know most of you through the years. You're a class act and fine examples of why we believe in our country's future. Give it your best effort and good things will happen.

Sincerely,

Gary Person
City Manager
