Sidney High Locomotive

"The ropes of today will hang the crooks of tomorrow", is the motto of **SUPERINTENDENT ORRIN J. WEYMOUTH**. He was born in Long Pine, Nebraska, but grew up in Chadron. His favorite pastimes are fishing and reading. He received his AB from Chadron State Teachers College, and his Master from Colorado State College of Education. He also did Post Graduate Work at the University of Nebraska. He has been teaching in Sidney for twenty-five years. His most embarrassing moment was when he was playing football and his trousers were torn off.

MR. ALBERT E. NIMTZ hails from Eau Claire, Wisconsin, and his favorite pastime is fishing. He was Superintendent in Hemingford, Nebraska, Principal at Crawford, Nebraska, taught English at Williamsburg, Iowa, and Principal at Oxford, Iowa. He received his AB and Master from the State University of Iowa. His motto is "What you are to be you are now becoming."

LEO SHUMAN, head coach, teaches biology, general science and physical education. He considers Lincoln as his home town although he has lived in Sidney for quite some time. He received his AB degree at Cotner College. He has taught at Venango, Columbus, Spencer, Sterling, Bridgeport, and Sidney, all in Nebraska. Mr. Shuman's hobby is playing golf.

"Live and Let Live" is the motto of **DOROTHY NEARY**, office secretary. She claims Sidney as her home town and records and sewing seem to be her hobby. Her most embarrassing moments are when visitors come while she is cleaning her apartment.

JOHN EDZAR, custodian at S. H. S., is from Sidney. His hobby is collecting odd knives. He says his most embarrassing moments are being in the wrong place at the right time. His motto is "A stitch in time saves nine."

"It isn't so much did you win or lose, but how did you play the game", is the motto of **MISS MABEL NIELSEN**, Math and Girls' Phys. Ed. instructor. She earned her Bachelor of Science Degree at Kearney State Teachers' College and has done graduate work at the State College of Education in Greeley and at the University of Nebraska. She has taught in a number of schools including Farrel, Shelton, and Callaway before coming to Sidney. Her hobbies are scrapbooks and crossword puzzles. Her ambition is to catch a ten-pound fish. Dannebrog is her home town.

Sewing, home decorating, cooking and drawing are the hobbies of the school nurse, **LUCILLE SELZER**. She attended Cameron College and St. John's Nursing school. She has an RN degree. This is her second year at SHS for teaching Red Cross home nursing. One of her outside activities is sponsoring Sub-Debs, an organization composed of high school girls. "Never do today what you can put off until tomorrow," is her motto.

DEAN COON is beginning his teaching career at Sidney High School after receiving his A. B. at Colorado State College of Education. He likes photography, eating, bowling, and traveling. Subjects under his direction are speech, art, freshmen English, senior literature, and journalism. The Hi-Life, Junior play, and the Trail are also directed by Mr. Coon who comes from Gilcrest, Colorado.

MISS BESS SHIRES has great interest in the Student Government at Sidney Hi and has charge of it. She has an AB degree and attended the University of Nebraska, University of Chicago and is a graduate of the Colorado State College of Education. Wahoo, Freemont, Brokenbow, Nebraska, and Mapleton, Iowa are the towns in which she has taught. Her hobby is collecting poems; she teaches the freshmen English and is a sponsor of the Sophomore class.

MR. RAY MALEY, Trades and World History instructor has taught in Lodgepole, McGrew, Lyman, Nebraska, and Boulder, Colorado. The colleges he attended are Coe at Cedar Rapids, Iowa, University of Southern California, University of Colorado, from which he received his M. A., University of Nebraska and a Business College. His hobbies are sports, traveling and parties. Mr. Maley coaches the Reserves Football, Freshmen Basketball and Freshmen Track.

MRS. ELIZABETH WRIGHT is a graduate of Colorado State College of Education where she received her B. A. degree and teaches Home Economics I, III, and IV. This is her first year of teaching. Her home town is Cherow, Colorado. "Make the most of yourself for that is all of you" is her motto, and her hobby is cooking new dishes.

VERNA ROBINSON has a good reason to feel that "Be Prepared" is her motto. Miss Robinson, Librarian, has taught in Franklin and Adam Counties. Her most embarrassing moment is being unprepared for operations. Her hobby is sewing and collecting buttons.

Teaching American history, world geography, driver's education, and modern problems probably accounts for **CARL CROUSE'S** avid interest in newspapers. After graduating from Chadron State with a B. A., he entered the U. S. Army and attained the rank of First Lieutenant. When World War II ended, he entered CSCE at Greeley, Colorado and earned his M. A. Degree. Crouse calls Sidney his home town because he has lived here longer than in any other place. He and his wife and two children live in Sioux Villa. Mr. Crouse confesses that he is not easily embarrassed; off the record, he likes to play the piano by ear.

MR. MELVIN L. WRIGHT is one of Sidney's newer teachers, who will have been here for two years when he completes this term. A graduate of Colorado State College of Education, Greeley, Colorado, with a B.A.; he has also attended Denver University and Nebraska University. He teaches typing and Spanish with advanced courses in both subjects. He has several mottos but "Diligence overcomes difficulties," is his favorite.

After teaching at DuBois and Fairmont **MARY A. STOWE** came to Sidney. She began her college work at Nebraska Wesleyan University and received her AB there. Miss Stowe has also had 21 hours of graduate work in Secretarial Education at the University of Nebraska. She likes photography, reading, movies, mountain trips, and special dinners at special places with special people. Her embarrassing moment was speaking out of turn, and her motto is "While there's life, there's hope." Shorthand, typing, bookkeeping and filing are taught by Miss Stowe. She comes from Hiawatha, Kansas.

MR. HENRY DEINES the instrumental music instructor who has a B.M. from the University of Nebraska and has done post graduate work at Bethany College at Linsborg, Kansas, and also at the University of Nebraska. He teaches only instrumental music here at Sidney but he has taught vocal and violin along with orchestra and band in other schools. He has taught in several towns and cities in Nebraska, also in Minnesota and Iowa. He came to Sidney High in 1947 from Ord, Nebraska

Our chorus and glee club teacher, **MISS HERLING**, is new to the profession of teaching. Graduated from Midland College with a B. A. (music major and commercial minor), she then worked in the office of the Hammond and Stephens Company at Fremont. She claims Schuyler for her home town. During her spare time, Miss Herling sews. One of her philosophies on life is "What we know is of little worth until it can be woven into what we do."

MR. VERGAL WINN was a Superintendent in the Crook, Colorado School before joining the Navy. After the Navy he came to Sidney to teach. In previous years he has taught math, visual aids, and biology. This year he is teaching visual aids and literature and is in charge of the Lodgepole Valley Film library. He received his Master's Degree at CSCE and his Bachelor's Degree at Kearney. His hobbies are photography and Boy Scouts. The most embarrassing moment for Mr. Winn was when he was about 4 years old. He had been sent to the grocery store for sugar and dropped the sugar all over the store's floor.

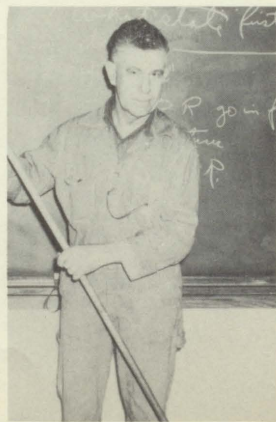

LOUIS NEUMAN originally of Odell, Nebraska has taught in Maddock, North Dakota; Norton, Kansas; Imperial and Kimball, Nebraska before coming to Sidney. This teacher is holder of a Bachelor of Science Degree from Montana A & M, and has done graduate work at Kansas Agriculture College and the University of Nebraska. Added to his teaching of Vocational Agriculture are the duties of sponsoring F. F. A. and an adult education class in the evening. His hobbies consist of hunting, fishing, and landscape gardening. The motto that fits him best is, "Always put off for tomorrow, what doesn't absolutely have to be done today."

JOHN MILLER, custodian at S. H. S., is from Sidney. His hobby is chickens. He says that his most exciting moments were when he was railroading.

La Grange, Wyoming is **MR. GLENN ACKERSON'S** home town. He received his A. B. degree at Peru Teachers' College and has taught at Burlwell, Trenton, Hemingford, Broken Bow and Sidney. He teaches Math, Biology and is also assistant Coach.

Wheels began rolling as senior officers were elected, Governor was Wayne Willard, Lt. Governor, Mary Ellen Livingston, Secretary of State, Joan Peirson, and Secretary of the Treasury, Marilyn Kretz.

OUR FIRST TRAIN RIDE!

As we leave the train in 1950, we pause to look back over the years we have experienced in S. H. S.

Remember the day we boarded this train as green, little freshmen?

The wheels began to roll after initiation when we were officially regarded as members of S. H. S. Leading the way was our governor, Mary Ellen Livingston; Lt. Governor, Joan Pierson; Secretary, Marilyn Kretz; and Treasurer, Clairelyn Lyngholm. Keeping up the school spirit were our freshmen cheerleaders, Marilyn Kretz, Mary Ellen Livingston, Katie Hazlewood, and Joan Pierson. Bouquets to our basketball team as they came out undefeated. At the end of our strange and exciting year, we celebrated by having a picnic at the Point of Rocks.

Senior Legislature, left to right, Speaker, Phyllis Refior, and legislators, Glenes Block, Peggy Cossey, Eldora Kampbell, Janis Beimers, Mary Fonda, Clairelyn Lyngholm and Robert Steffins.

ALL ABOARD FOR OUR SECOND YEAR AT SIDNEY HIGH SCHOOL.

We started off on the right track by entertaining the frosh at the first all-school dance of the year.

Phyllis Refior was elected governor, while Dale Buehrer, Clairelyn Lyngholm, and Bob Montgomery, respectively, were Lt. Governor, Secretary and Treasurer.

Three members of our class, Jo Pierson, Rex Sample, and Wilmer Brauer, were cast in the leading roles of the operetta, "Purple Towers."

Among those leading in athletics were Dale Buehrer, Ronald Ovenden, and Robert Montgomery.

In the spring we gave a program for the enjoyment of the other classes in Sidney High. It included musical numbers, comical skits, and a film, "Etiquette at the Junior Prom."

As in years past, sophies were chosen to serve and entertain at the Junior-Senior Banquet.

WE'RE MOVING UP THE TRACK

We roared on into the state where we considered ourselves upper classmen (even if the seniors didn't). This year all girls triumphed in the elections. Jeanne Miller became governor; Clairelyn Lyngholm, Lt. Governor; Marjorie Adams, Secretary; and Mary Fonda, Treasurer.

After sponsoring an all-school dance in the fall, much work was put into the class play, "The Sunshine Twins," with Mr. Crouse as our director. The leading roles were played by Richard Gideon and Teresa Allman.

We considered ourselves a class of distinction because we were the representatives of the first Cornhusker County Government Day held in Cheyenne County. In the spring, representing Sidney at Cornhusker Boys and Girls States at Lincoln were Wayne Willard and Clairelyn Lyngholm.

The thrilling day arrived when we received our class rings. Ours, of course, were the prettiest ones yet. (We thought so anyway.)

The local winner of the Oratorical Contest was Rex Sample. Teresa Allman also participated in the local contest.

On May 20th we were host to the seniors at the annual Junior-Senior Banquet. Our theme was "The Fortyniners" in honor of the class of 1949.

Mary Ellen Livingston was crowned "S" Club Queen at the annual S-Club Dance held after the Pep Club Banquet.

Winding up the year, we went to Greenwood for our annual picnic.

PULLING INTO THE STATION

At last, we have reached the peak of our journey. We are now fullfledged seniors.

As governor, Wayne Willard was elected. Mary Ellen Livingston was Lt. Governor; Joan Pierson was Secretary of State; and Marilyn Kretz was Treasurer.

We presented the first program of the year. The setting was a county fair. We had more and better circus freaks than a professional circus.

On November 21, all senior girls were guests at a tea given by the P. E. O.

First semester exams were over and everyone was happy.

The seniors traditionally sponsored a Christmas Cotillion. Much work was given to the affair and crowned as king and queen were Dale Buehrer and Phyllis Refior.

This spring the juniors gave us a wonderful banquet.

Our school days are coming to an end at Sidney High. Are we all really as happy as we thought we would be? It is a nice feeling to be holding a diploma, but we are not ready to take the big step out into the dark, great unknown.

Honor students were valedictorian, Mary Ellen Livingston; Salutatorian, Clairelyn Lyngholm; and Phyllis Refior as third; Ronald Ovenden as fourth; and Marilyn Kretz as fifth.

So Long!

Smiling with a great deal of Christmas spirit are the candidates for Cotillion King and Queen. They are Wayne Gausman, Dale Buehrer, Phyllis Refior, Wayne Willard, Bob Rogers, and Eugene Darnstaedt.

Wayne Willard places the crown on Phyllis Refior. Dale Buehrer patiently waits for his.

THE SENIOR CHRISTMAS COTILLION

As the Christmas season approached, the Seniors were already in the midst of planning for their Cotillion. The decoration committee was one of the first to start planning, next came the advertising which went into full swing as soon as it was named. Then the tickets were distributed among the senior boys who sold to the student body.

As the great night arrived, everyone was in his best, the girls in their lovely formals with their corsages and the boys in their best suits and their snappiest ties. (Probably their dads'!).

The decoration committee did a wonderful job for the room was lovely. A large white bell hung from the wire stretched from one basket to the other and colorful streamers went from this bell to other wires stretched across the room. At each basket there was a spray of pine with mistletoe interwoven. The lights were low and mellow and the atmosphere was just right. At each end of the stage, was a large Christmas tree which the seniors had purchased which were decorated with the school's materials.

About halfway through the dance, the Senior Governor announced for all the candidates for king and queen to come to the stage. Having accomplished this he told Phyllis Refior and Dale Buehrer to go to the throne where he crowned them and handed them each a gift.

Upon leaving, everyone thanked the sponsors, Miss Nielson, Mr. Coon and Mr. Shuman. Also present among the sponsors were some of the parents, Mr. and Mrs. Edward Forda and Mr. and Mrs. O. D. Willard. Everyone dispersed and some (very few) went straight home.

JUNIOR RECORD

The class of '51 started off on the right foot by electing Bill Burr as governor. Other officials chosen to lead their class were Lieutenant Governor, Carol Ladine; Secretary of State, Jane Boyd; and Karen Haile, Secretary of Treasury. Passing along their ideas were the Junior State Legislature, and their four members working as National Representatives. Overseeing these Juniors in all they do are their sponsors, Elizabeth Wright, Mary Stowe, Virgil Winn, and Ray Maley. Also working for the betterment of their class and school are the two Juniors in the President's cabinet, Joan Connell, Secretary of Interior, and Richard Schaffert, Secretary of Agriculture.

Juniors started making money to finance the Junior-Senior Banquet by selecting committees to care for the coke machine. Also in their money making scheme was the selling at all home games.

The main event of the year was their play "On The Beam" directed by Mr. Dean Coon with the help of the Junior sponsors. The cast was headed by Bill Burr and Shirley Buehrer as Mr. and Mrs. Gilman. The play at both the matinee and night performance proved to all in attendance that the Juniors are really on the beam.

On December 22, a Christmas program was given to the entire school by the Juniors. It was taken from the poem, "The Night Before Christmas," and was acted out in pantomime. Virgil Winn served as reader and Dwight Armstrong portrayed a jolly Santa Claus.

On Monday, January 23, thirteen Juniors spent the day at the courthouse to study the mechanism of our county government. Sidney High Juniors and those from other towns were given a dinner at noon in the city auditorium basement by the American Legion Auxiliary.

Another event of the year was the soc hop which was presented in February and was enjoyed by all.

Treating the seniors to the annual banquet, juniors worked many weeks in preparation for this gala affair.

Seventy-eight students have been enrolled in the Sophomore State during the year. With Don Sabin as Governor, Jeanne Livingston as Lt. Governor, Beverly Wasser as Secretary of State, and Joan Mahaffey as Treasurer, the Sophomore State has been guided by able hands. Supported by a well-organized legislature, guided by Speaker, Don Shipman, the legislators, Barlow, Fontinos, Groppe, Kampbell, McIrvin, Phelps, and Wilson with the backing of their constituents the State has worked together in close harmony.

In October, 1949, the State staged an all High School Masquerade Dance which was one of the high-lights of the season. Over one hundred students were in costume. Square dancing created a friendly spirit which prevailed throughout the evening and even when modern dancing played a part in the evening's gayety.

The Sophomore Day Program presented February 28, 1950 was based on the film, **Every Day Courtesy**. Pantomines and music were worked around the caption, "Your Manners are Showing." Students in action presented incorrect and correct with emphasis on the question, "How do you rate?"

The Spring picnic closed the states events.

The state was efficiently sponsored by Miss Bess Shires, Mr. Glenn Ackerson, and Mr. Louis Neuman.

Railway Commission

Student Government began in 1940 at Sidney High School. The senate is a part of the government and is run in the same manner as the United States Government. Members of our Senate are teachers from each state, which include; Senior State, Miss Nielsen; Junior State; Miss Stowe; Sophomore State, Miss Shires; Freshman State, Mr. Wright.

The Senate discusses the bills and suggestions passed in the House of Representatives. The Senate may also introduce bills and pass them; but they must be passed by the House and President before they become laws.

The President's Cabinet at Sidney High School is patterned after the Cabinet of the President of the United States. The Cabinet members and their duties are as follows:

Secretary of State, Ronald Ovenden. His duty is to organize relations between the states and the schools.

Secretary of Treasury, Dorothy Neary. She takes care of the school's funds.

Secretary of Activities, Marjorie Adams. It is her duty to be in charge of ticket sales at games.

Secretary of Interior, Joan Connell. Joan has charge of the programs and assemblies.

Secretary of Personnel, Oakley Osborn. Relationship between students and the care of the building is organized by Oakley.

Secretary of Agriculture, Richard Schaffert. Richard has charge of improving the campus, trees, shrubs, etc.

Caught at a Senate meeting are Senator Bess Shires of the Sophomore state, Senator Mable Nielsen of the Senior state, Vice-President Ray Maley, Senator Melven L. Wright of the Freshmen state and Senator Mary A. Stowe of the Junior state.

This year Coach Leo Shuman's gridsters completed the season with a 50% average by winning 4 games and dropping 4. The Maroons outscored their opponents by a slim margin of 4 points by collecting 127 points to their opponents 123.

The Maroons fielded their lightest team in the school's history. The average was 144 pounds per man. Despite their small size the Maroons suffered very few injuries. Always playing against larger opponents they overcame their opponent's advantage of weight by playing fast and hard football.

After being defeated in their first game at Sterling, it was thought that the team would be lucky to win one game this year because of their ragged play in that game. Against Bridgeport the team's play improved and they played them on almost even terms. The victory went to Bridgeport by a slim margin of 6 points.

The team began to improve and they burst into the win column by rolling over Chadron, a weak club in the conference. The Maroons made it 4 straight wins by downing Ogallala, Oshkosh, and Gering. Ogallala and Gering provided conference wins for the Maroons.

A fast Chappell eleven handed the Maroons their worst defeat of the season. It was one of those days when everything went wrong for the Maroons. Kimball outlasted Sidney in the last game of the season and won in a 20 to 19 thriller.

A win over Kimball would have given Sidney a share in the Panhandle Conference honors with Gordon. As it was the Maroons finished in a tie for third with Mitchell with a record of 3 wins and 2 losses.

Coach Leo Shuman commented on the team, "For being a small team it was a good team and it had the most fight and spirit of any team I have had at Sidney High School. I think our best game was against Gering."

The usual starting lineup was as follows:

LE Melvin Davis	RE Robert Montgomery
LT Vernon Kincaid	QB Robert Jensen
LG Bill Burr	LH Wayne Willard
C Howard Atkins	RH Ronald Ovenden
RG Keith Rihn	FB Dale Buehrer
RT Charles Bagby	

Because of a back injury Melvin Davis was forced to check in after the Chadron game. He was replaced by Wayne Schnieder.

Those who scored touchdowns and their number of counters are as follows:

Dale Buehrer—9
Robert Jensen—3
Ronald Ovenden—3
Wayne Willard—2
Wayne Schnieder—1
Vernon Kincaid—1
Stanley Smith—1

SIDNEY HIGH FOOTBALL RESERVES

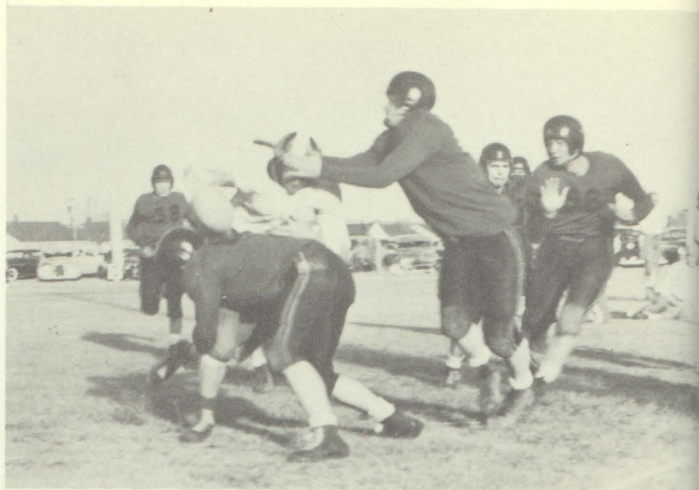

Showing a good amount of spirit, the 1949 Sidney High football reserves swept aside all opposition to sport a title of undefeated for the season. In the last five years, Reserve Coach Ray Maley's teams have won eighteen games, lost three and tied one for a winning percentage of .857.

The season was opened against Sterling on the Sidney field and the Maroon Reserves took a 20-0 decision. McWilliams, Bolz, and Smith scored T.D.'s while Smith and Bolz added extra points. The second game was played at Julesburg. Sidney had a 14-0 half time lead but Julesburg outscored them in the second half 7-6 bring a final count of 20-7 in our favor. Sidney traveled to Kimball for the next encounter and although the Longhorn reserves put up a stiff battle, Sidney brought home the bacon to the tune of 18-0. Oshkosh came to Sidney for the final game. It was the first home night game to be played by the Sidney Reserves. They showed appreciation of the honor by playing their best ball of the year and won a 33-13 victory.

The starting line was often: Adams, Wise, Sebold, Higgins, Tobler, King, Ziegler. The backfields were often switched with the Sophs—Bolz, Barlow, Smith, and McWilliams usually playing more minutes per game than the Frosh backs—Beebe, Glassburn, Maley, and Chappell. Others who earned their letters and did a lot to make the season a great success were: Allgood, Borchner, Amen, Benzel, Deeder, Gocha, P. Jewett, L. Jones, Livingston, L. Moore, Nissen, and Seevers. These sixteen Frosh and eleven Sophs brought to Sidney High the third undefeated football reserve team, the others being in 1945 and 1947. It was Maley's fifth undefeated Sidney team the other being Frosh track in 1947 and 1948.

A Kimball man lunges for Dale Buehrer carrying the ball for Sidney.

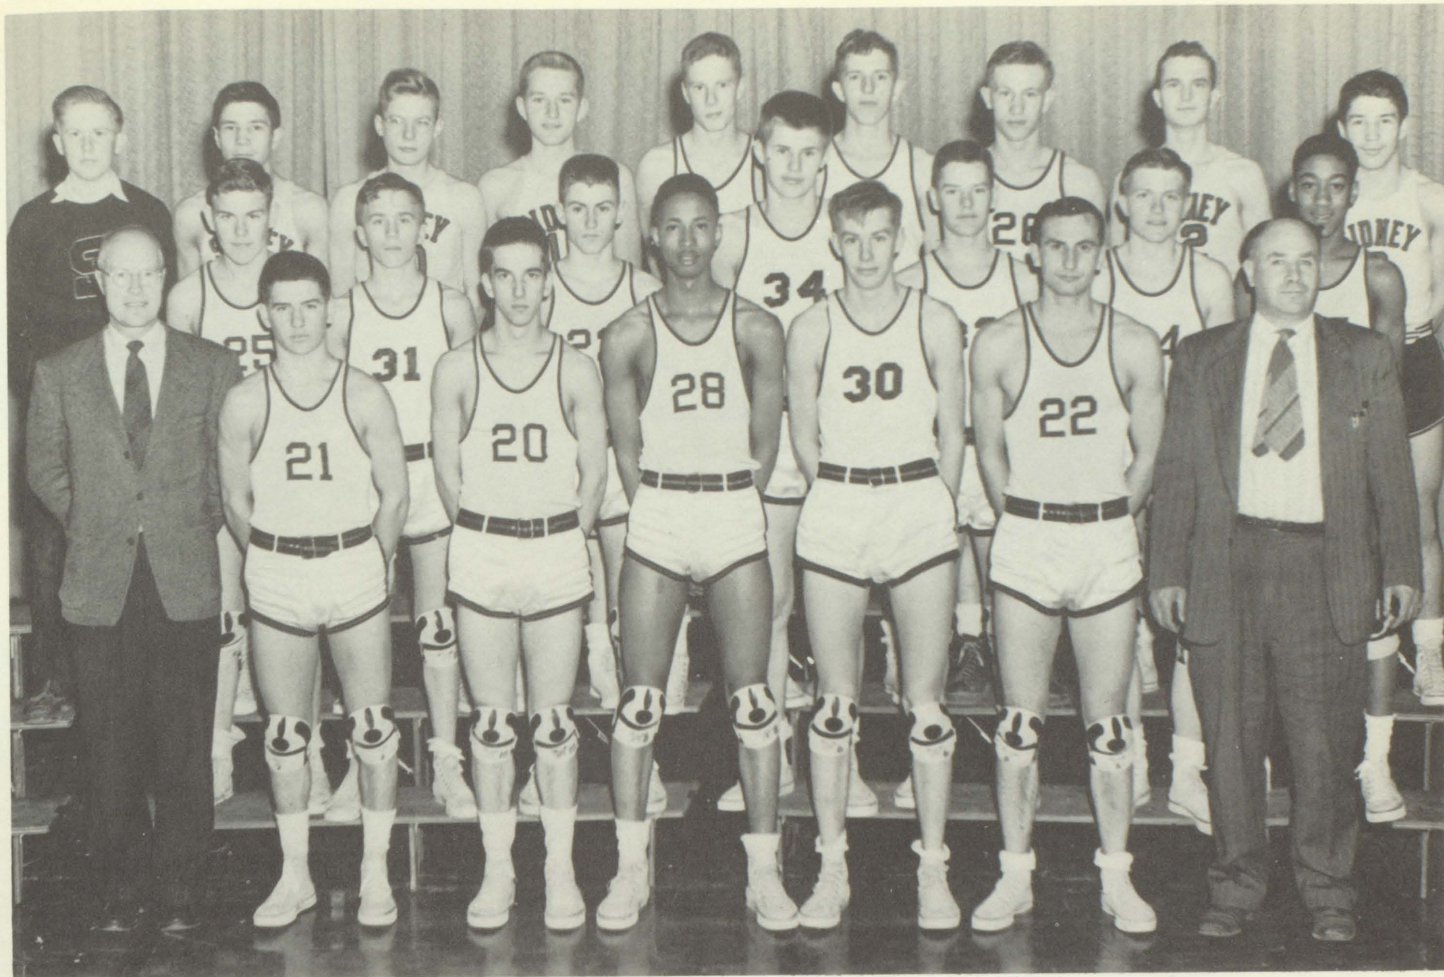

A Kimball player loses the ball as several Maroons tackle him.

Wayne Willard connects with a Kimball man to make a successful tackle. Ronnie Ovenden No. 47 rushes in to stop another Kimball player.

At the Sidney-Kimball football game, Dale Buehrer breaks thru the line on his way toward a touchdown.

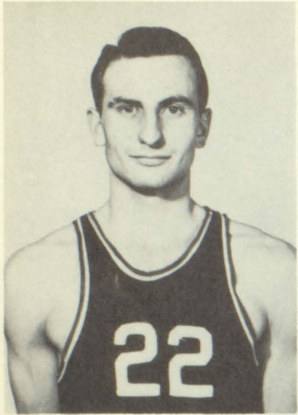

FIRST TEAM AND RESERVES

Second Row: Max Adams, George Barlow, Stanley Smith, Ronald Rogers, Wayne Willard, Melvin Davis, Jon McWilliams.

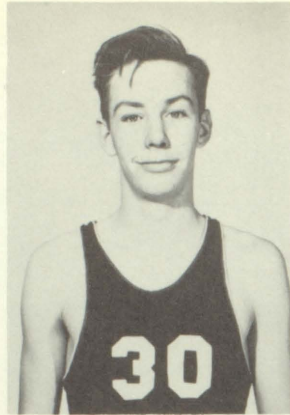

First Row: Mr. Shuman, Ronald Ovenden, Robert Jensen, John Harden, Robert Montgomery, Dale Buehrer, Mr. Ackerson.

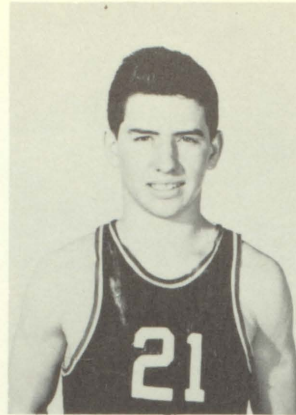

Dale Buehrer. Last year as guard with three years on the first string.

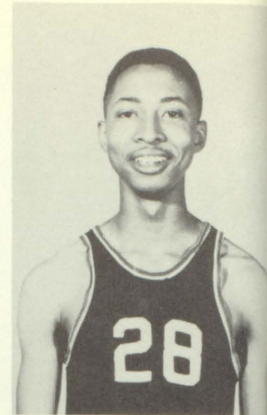

BOB JENSEN. A senior who played first string. He is fast with the ball, always alert.

Bob Montgomery. Senior, broke the school record making 31 points in the Gothenburg game.

Ronald Ovenden. A senior, is short and speedy with three years on the starting line-up.

John Harden. Jumping center, has another year to do. First year on the starting line-up.

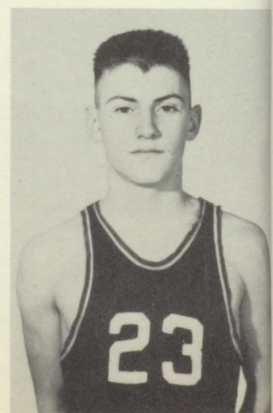

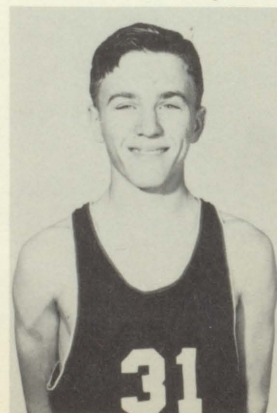

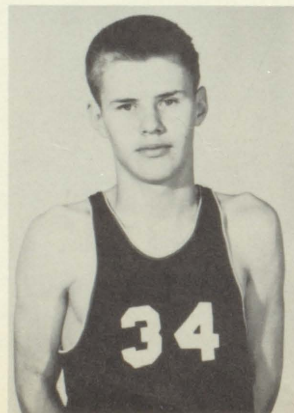

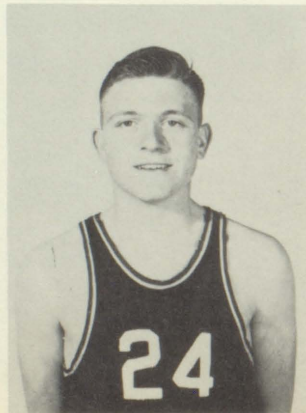

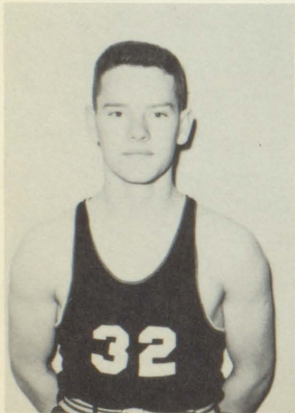

Wayne Willard. A senior, he plays reserve string and replacement, always cautious and alert.

MELVIN DAVIS. Melvin played reserve and replacement.

Ronald Rogers. Sophomore, one of the first substitutes with two years ahead of him.

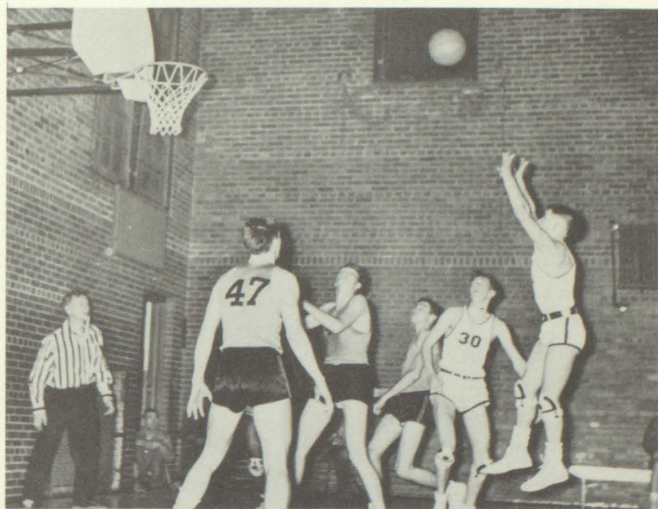

George Barlow. A sophomore, the smallest man on the squad which makes him fast but careful.

Stanley Smith. A sophomore with a first string future. A lead player on the reserve string. He is light on his feet and handle the ball with skill.

The Sidney Maroons steamed to victory this year with eleven wins compared with five losses. The Maroons started off with a 41 to 39 win against North Platte, thus heartening all of their many fans. Lodgepole was an easy victory for our talented players. Like all teams, our team suffered from "cold" nights when it seemed everything went wrong. The loss of 38 to 50 to Kimball best exemplifies this. On other nights nothing could stop the Maroons from gaining fame. The night the team went to Chappell, everyone was hepped up to bring home a victory. The fans were not disappointed. The Sidney players did themselves proud by beating Chappell in an overtime. In the last minute of the game, the Maroons racked up the needed points to tie Chappell; and in an overtime burst ahead by racking up eleven more points in the overtime. The score ended 38 to 27 in the Sidney quintet's favor. The Gothenburg game was a memorable one because the Swedes were the favored team but Sidney won 54 to 47. This was the night Montgomery made 31 points and broke the school record. He was chosen player of the week by the Omaha World Herald. Sterling was Sidney's second loss. Oshkosh presented no trouble for the Maroons. Then the Maroons went on a two game trip to Gordon and Chadron; and came out the victors of these two games. The next game with Chappell threatened to be a repeat of the other one; but instead Sidney came out ahead 48 to 46 in a real thriller. The Maroons crushed Bridgeport 63 to 28. The Sidney team was out to redeem themselves against Kimball. This time it was the Kimball fans who went home disappointed as Sidney beat 41 to 35. Ogallala's fast-stepping team proved too much for the Maroons; and gave Sidney its only loss on the home-floor. The Mitchell game gave the Sidney fans a let-down feeling not because of Sidney's playing; but because of the disagreement between the referees and the officials. Sidney lost this one 47 to 43 in an overtime. Sidney had great hopes of achievement for the tournament; but they were not to be realized. The Maroons dropped their first game to the Minatare five 35 to 32. Sidney outscored their opponents 671 to 608.

Fleet-footed Ronnie Ovenden breaks through the Chappell defense to add to his portion of the score.

John Harden takes to the air and leaves his Chappell rivals flat-footed as he adds two desperately needed points to the Maroon score.

The 1949-50 Freshman team, the fifth to play Frosh basketball for Sidney High School, was the first to win a cage championship. This year's squad of twenty boys was a good evenly matched group and very regular in practice and game attendance according to Frosh Coach Ray Maley, who also states that the team is one of the best to ever wear the Frosh colors for S.H.S. These first year players showed a remarkable improvement as the season progressed, winning nine of the twelve games on the schedule and climaxing a fine season by winning the championship of the Four County Tourney at Oshkosh in February. This is the sixth champion team and Ray Maley who coached the six teams ranks this squad as good as the best. So these Frosh join the list of three football reserve teams in '45, '47, and '49 and Frosh track squads in '47 and '48 who won titles as undefeated teams.

George Barlow breaks for the basket and racks up two more points against Chappell.

The record for the past five seasons in Frosh basketball shows forty-seven victories and twenty losses for a 700 per cent winning average. In winning nine games of the twelve played the Sidney Frosh this year racked up 424 points to 341 for the opponents so the per game average is Sidney 35, opponents 28. Fourteen boys received letters and although the opening lineup was not always the same the first eight named were most often in the game for the opening whistle. Letter winners were: Douglas Chappell, Jim Ziegler, Dale Maley, Darrell Glassburn, Carl Beebe, Gary Seevers, Ben King, Bob Deeder, Larry Jones, Larry Allgood, Jim Yates, Bill Nissen, John Shelley, Floyd Brown. Dale Maley and Douglas Chappell tied for the 1950 free throw title in games played with a 500 per cent average. Previous winners were Howard Atkins 1947; John Harden 1948, and Charles Bagby 1949. Honorary Co-Captains for this year were Darrell Glassburn and Douglas Chappell.

S-Club consists of letter men from the three major sports, football, basketball, and track. If any of the boys earn major letters they automatically become a member.

S-Club has only two officers. The president, who is always a senior and the vice president, who is a junior and who automatically is president the next year. Dale Buehrer is now president with Edward Haupt, vice president.

Each year the club elects an honorary football and basketball captain. The high light of the season is crowning the athletic queen at the annual dance after the Pep Club banquet.

Lined up for their picture are the Pep Club officers. Left to right, Jo Pierson, secretary, Mary Fonda, treasurer, Mary Ellen Livingston, president, Jeanne Livingston, historian and Carol Golden, vice president.

This year the enrollment is almost as large as that of last year which was 60. At the beginning of the year there were 36 and at the first of the second six weeks there were 57. Formal initiation was held for the new girls this year. The Club is sponsored by Miss Mable Nielsen.

Presiding for the term are Mary Ellen Livingston, president; Carol Golden, vice-president; Joan Pierson, Secretary; Mary Fonda, Treasurer; Jeannie Livingston, historian; and Mary Jo Chappell, point recorder. The cheerleaders, elected by the student body, are Mary Ellen Livingston, senior; Ann Kokjer, Jane Boyd, and Carol Golden, juniors.

The girls sold programs during the football season to make money for the annual Banquet for Lettermen. Mimeographed programs were given away during basketball.

The date for the banquet was set for April 18 with Olympics as the theme.

The pep band gave the rallies some spirit along with having the girls called up one at a time to give a little pep talk.

Sophomore candidate Donna Wilson was chosen as the Valentine Sweetheart for the year. Other nominees were Jennie Livingston, Sophomore; Mary Ellen Livingston, Clairlyn Lyngholm, Joan Pierson, and Phyllis Reifor, seniors; Jo Connell and Norma Benzal, juniors; and Donna Steward and Ann Henke, freshmen.

After the senior girls plan and prepare the banquet, they do not attend further meetings by tradition. The girls then elected their new officers. It is customary for the vice-president to move up to president, hence Carol Golden will preside next year.

On Honor Day the senior members are always presented with red roses as a token of remembrance.

The Future Homemakers of America is a National Home Economics organization. The red, white, and blue, and "Toward New Horizons" exemplify its flower, colors, and motto.

The officers were elected in April of '49. Jeanne Miller, President; La Vonna Reed, Vice-President; Norma Cullins, Secretary; Wanda Farmer, Treasurer; Betty Jo Anderson, Recreation Chairman; and Katie McVicker, Publicity Chairman, were elected to guide this year's Homemakers.

In January, the girls began to work for their degrees. You can earn the Junior Homemaker Degree, the Chapter Homemaker Degree, the State Homemaker Degree, and the American Homemaker Degree. Last year one Junior Homemaker Degree, and one Chapter Homemaker Degree were awarded.

This year's Homemakers invited the F. F. A. boys to a party at the beginning of the year; wrapped and sent Christmas gifts overseas; caroled at the hospitals; initiated and installed at a party; sent patterns to the Phillipines; presented a style show this spring; and sent three girls to Lincoln to a State Convention on April 1.

Through this organization, the girls hope to promote appreciation of homemaking, emphasize the importance of worthy home membership, encourage democracy in home and community life, work for good home and family life for all, promote international good-will, foster the development of creative leadership in the home, provide wholesome individual and group recreation, and further interest in home economics.

The purposes of the Future Farmers of America is to develop leadership, character, citizenship and scholarship among its members, all of whom are students enrolled in Vocational Agriculture. The Sidney Chapter of the national organization is active in its support of all major community activities, agriculture and others. Under their sponsor, Louis Neuman, the boys have helped with the Cheyenne County Fair, the State Wheat Show, the Soil Conservation Program and the Noxious Weed Program.

Section Crew

To improve the scholastic standing, the chapter encourages its members to take part in District and State Contests. The District VII Convention of the F. F. A. was held in Sidney this year. There were one-hundred and fifty contestants that participated. Last fall a livestock judging team was sent to North Platte. Robert Steffens was the high individual with the team placing second. Later at Alliance in a Tri-State meet, Raymond Thomas was high member of the Sidney team. In the Farm Bureau sponsored essay contest, Richard Schaffert, Secretary of the Sidney Chapter, won first. At the District VII Convention, Raymond Thomas, Reporter of the Sidney Chapter, placed third in the Public Speaking Contest.

However, not all of the activities are of a serious nature, as the club sponsored an overnite fishing trip to Kingsley Dam, organized a basketball team, and held a pheasant and duck feed for Freshman Vo-Ag students.

Richard Schaffert was appointed Secretary of Agriculture in the Presidents Cabinet of the student government.

Working with the wire recorder are Larry Jones, Paul Jewett, Dale Sharp, and Dean Wise.

Visual Aids in 1950 is no longer the mystery it was in "45". This class, offered to boys only because of the heavy equipment which has to be carried around, was originated so the boys could learn to operate the motion picture projectors, P.A. System, opaque projector, and other audio-visual aids equipment.

In this class, the boys learn to mix developers and fixers from raw chemicals. They also learn to develop their own films and make their own prints.

In 1948, the National Education Association awarded the Sidney Public Schools a Citation Merit in Audio-Visual Aids. The Sidney department is one of the best of its kind in the state.

"Joot!" "Joot!"

Marching between halves of the Sidney vs. Kimball game are the Sidney band and twirlers.

The Sidney High Band played this year for all home football and basketball games. In October the band went in a body to be in Ogallala's Homecoming Day Parade. That evening they played at the football game.

The different sections were the orchestra, the pep band, and group classes. Bill Burr, Rex Sample, Robert Jewett, Paul Jewett, Floyd Brown, Richard Gideon, Wanda Farmer, Larry Tobler, and Marcelyn Dedrick were in the pep band and they added much to the pep rallies.

In the spring, they held a band concert on February 22. They held a spring contest the latter part of March. The solos at this were a baritone solo by Bill Burr and a bass solo by Rex Sample. There was a brass sextet composed of Douglas Chappell, Floyd Brown, Paul Jewett, Robert Jewett, Bill Burr, and Rex Sample. There was a flute trio with Donna Steward, Cleo Kennedy, Marge Copley; a clarinet duet composed of Charles Bagby, Larry Tobler; Douglas Chappell and Floyd Brown played coronet solos. Dale Borcher played a trombone solo.

To show you that the Hi-Life staff worked once in awhile they posed for this picture. Standing are Nila Golden, Director Dean Coon and Katie Hazlewood. Seated are La Wanna Wasser, Marilyn Kretz, Arlita Ingwerson, Marjorie Adams, Eldora Kampbell, Mary Ellen Livingston, and Richard Gideon.

With something different in mind, the Hi-Life Staff got off to a good start. Instead of having the paper printed at the Telegraph as it had been done in previous years, they decided to mimeograph it. Mimeographing the paper took a little more time and a little more effort but it could be purchased at a lower price.

Some evenings they would wander out to the school house to finish typing stencils, running stencils, or stapling the pages together; so they would be ready the following day. The price of the school paper was 5c per copy.

This space is dedicated to:
The students that we asked to give us copy and information by such and such a date and who thought that any time in 1998 would do.

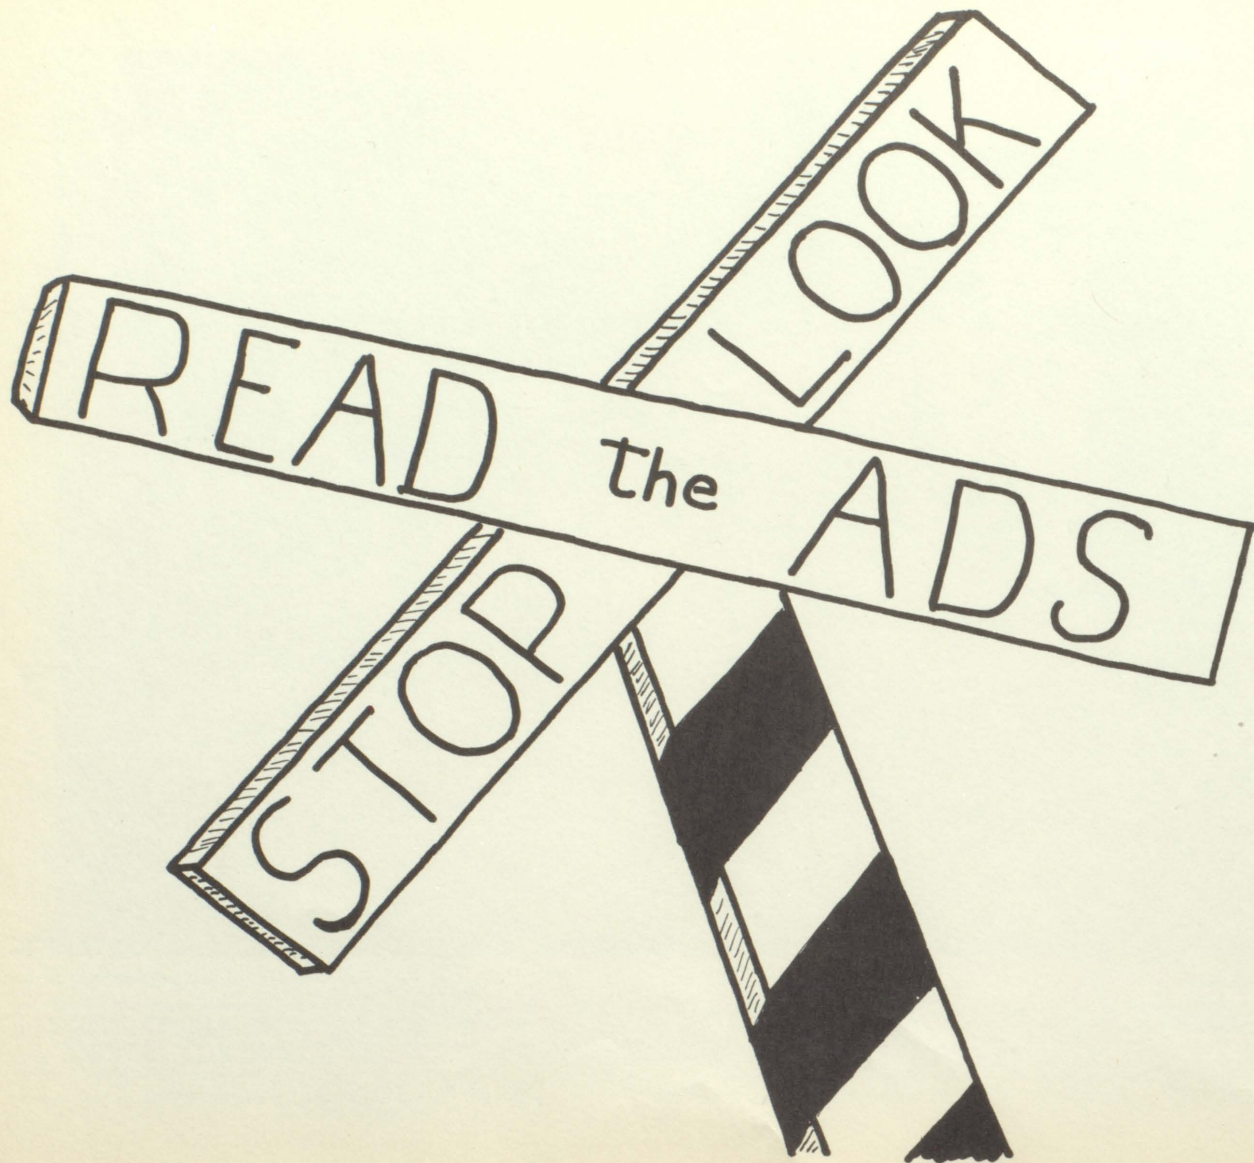

All the Seniors who were too lazy and indifferent to help the staff put out YOUR book.

All the grippers who find something wrong with the book who never showed their faces when the call went out for help.

Some of our dear friends who never lost an opportunity to tell us what to put in and what to leave out of the book.

Those who find so many things wrong with the school, grading system, etc., and who never do anything about it except gripe.

To you sweet reader, to satisfy your urge to "tell someone off," this page is dedicated!
