The crew from Gilligan's Island doesn't mind a little publicity every once in awhile. It's better than a three-hour tour, right? Top: Gilligan (Tyler Cruise), Captain (Kyle Nienhueser), Professor (Steven Hansen) and Mr. Howe (Justin Russel). Bottom: Mary Ann (Danalee Detereit), Ginger (Danielle Dickey), and Mrs. Howe (Kayleigh Beck)

Jess Batt questions Tyler Cruise's sanity as he pretends to be Gilligan in the background. Jess thinks he must be off his rocker. Can you blame her?

WRESTLING

Wrestlers (front row, left to right) are: Patrick VonSeggern, Chris Heinecke, Andy Heinecke, Matt Wolff, Nick Sakis, Brad Keller, Robbie Van Vleet, (middle row, left to right): James Hansen, David Belieu, Jeff Armstrong, Travis Richards, Kale Neinhuser, Justin Leach, Jon Crowe, Bobby Sonnie, (back row, left to right): Ryne Clark, Dwight Easterly, Dan Crissey, Matt Verhagen, Eric Sonnie, Nic Norton, Joe Jeffers, John Snyder, Mike Joyce, Levi Jenkins, and Seth Wecker. Photo by Ashley Frerichs

MR. GANSER - This is a hard-working group of wrestlers that you can depend to be there on time every day. We were very inexperienced this year, but gained valuable mat time as the year went on.

MR. DEGENHARDT - The season went pretty well, there was a lot of improvement. The team was young, so they had a good learning year, and got a lot of experience.

ERIC TRACY - It was a good year, but with all the Juniors stepping up, it will be even better next year.

DWIGHT EASTERLY - We had a bunch of kids go out that were awfully young. I'm looking forward to next year.

BOBBY SONNIE - It was a slow year.

KALE NEINHUSER - I felt that this year we did decent as a team other than we were very young and we should've had more people place at districts.

MATT WOLFF - We were a young team, but I think we did pretty good. Next year, I think we will have a good team. Hopefully, next year we'll have more state qualifiers.

TRAVIS RICHARDS - As a team, we did all right. We could've done better. Some of the younger kids stepped up a lot towards the end of the year.

RYNE CLARK - The season was okay. It was a good learning experience because we had a young team. We'll do good next year.

JOHN SNYDER - It was fun. It was a good learning experience. As a first year, it was kinda hard.

DAVID BELIEU - I thought we were really young. We wrestled hard. Hopefully next year, we'll do a lot better because the Sophomores and Juniors will be Juniors and Seniors.

MIKE JOYCE - We were really an inexperienced team and most of the kids never wrestled Varsity before and didn't know what to expect, but next year, we should be a lot tougher.

PATRICK VONSEGGERN - Good. We wrestled good.

TYSON HOWE - Keep trying. We could've done better.

BRAD KELLER - I thought it went pretty well I guess. I learned a lot, and I wish it was longer.

JUSTIN LEACH - I felt my season as a Freshman went pretty well. Don't get intimidated right away, you never know until you try.

ROBBY VAN VLEET - It went pretty well. We were an inexperienced team, and we will get better in the future.

With our hearts, we thank you for 18 years of:

delightful laughter
unceasing compassion for others
boundless creativity and wit
the courage to re-discover who you are
and for being our beloved "Jules."

All our love,
Mom, Dad, Jen & Sarah

Stephanie,

Once upon the day you were born, a little girl came into the universe but it was mostly too busy to notice that her smile (which had never been smiled before) was warming up a little corner of the world and changing the day-to-day history of those whose lives she touched. . . the lives who couldn't help but notice the ongoing wonder and miracle of this little girl who, years later, is still touching hearts in ways uniquely her own. . . and whose beautiful smile has come to mean so much to so many lucky people. We are so proud of you. Keep on smiling, dreaming and dancing to your own song. Whatever you do in life will make us proud, we believe in you.

With love,
Mom and Mike

Your future

Your financial future, does the thought of it make you feel apprehensive? Have you considered what you would like to do and have five years from now? Or even farther down the road? Dreams don't happen by themselves. They take hard work and a good plan.

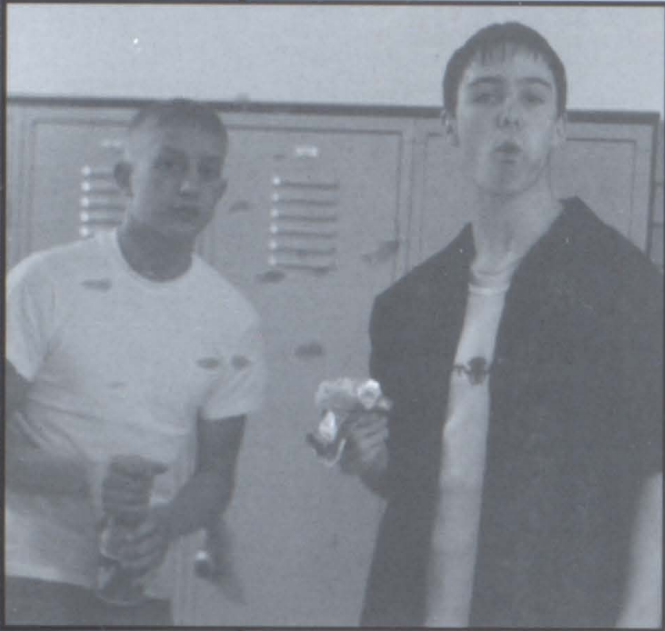

First, look forward to where you want to be. Then, take a look at where you are now. The distance between the two is what you have to do to get there.
